Issued by the European Project 'Fresh Start' Press Office

Help us make entrepreneurship a sustainable option for young offenders  
Spend only few minutes to take part to our **online survey**  
*your opinion counts!*

**Are you** a trainer or/and an expert working with young offenders, such as VET trainer, Counsellor, Guardian, Sociologist, Expert in Crime Prevention and Social Inclusion of Juveniles, etc.

**Simply participate in this online survey** which includes only 23 multiple choice questions, and will take you only 10 minutes (max).

This consultation is part of a European project, entitled Fresh Start, which is co-funded by the European Commission, under the Directorate-General for Education and Culture. The project will use the collected and analysed information in order to identify the key needs that trainers and experts have, as well as the challenges they face while training young offenders in entrepreneurship skills.
